**L.K. Machinery Appoints New
Sales Director**

Holland, Michigan, September 3, 2007 — [L.K. Machinery, Inc.](http://www.LKMachinery.com), a global manufacturer of Hot and Cold Chamber Die Casting, Injection Molding and CNC Machinery, appoints Kevin Brady, Sales Director for our Plastic Injection Molding Machinery division.

Kevin Brady has been involved in the Plastics Industry in one capacity or another for the past 23 years. He has held various sales and sales management positions with other prominent machinery manufacturers such as Krauss Maffei Autojectors and Cincinnati Milacron. Kevin has been an SPE member since 1985, and has been involved in the Alliance of Plastics Processors Division of the SPI for the past four years.

“L.K. Machinery is striving to be at the forefront of the plastic injection molding machine industry. We are confident that Brady’s work as our new Sales Director, for our Plastics Machinery, will be a great contribution to this effort,” comments L.K.’s Marketing and Business Development Assistant, Karen Van Iwaarden.
